

# Jani's Journal

- ① Have kids make these foldable booklets.
- ② Teach your star point (kids take notes on the left).
- ③ Kids write ~~the~~ their journals on the right side (using and proving the star points).
- ④ The teacher collects the booklets after 5-10 days to read ☆ over, grade, put stickers in, etc. ☺
- ⑤ The teacher returns student journals and kids tape them in to their notebooks.

\* Have another way? let us know! [www.trailofbreadcrumbs.net](http://www.trailofbreadcrumbs.net)

Week of: August

22-26

It is

It's the end of July already!

I can't believe the summer  
has passed me by. I had so

many plans thwarted by a  
pitcher's wild toss. Due to

a broken arm, we lost trips  
to Schmitterbahn, the coast

and the pool. Later missed out  
on golf camp and his opportunity

to win the state championship  
with his team.
