

Kernel Essay Planning Sheet  
And Rotating Evaluations

Before you choose your story and write your story, ask yourself:

- Is this a level 2 or 3 story?
- Is this a story that other people will find interesting?
- Do I have plenty of details to make this story interesting and exciting?

1. Topic:

2. Name of Structure:

--	--	--	--	--	--

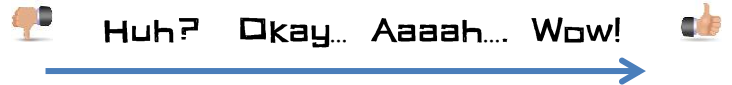

3. Your Kernel Essay

You don't have to write the questions.

- 1.
- 2.
- 3.
- 4.
- 5.

4. Evaluation from Reader #1

1. Circle your opinion of the story

2. Write some questions you have about the story:

- -----
- -----
- -----
- -----
- -----

3. What level is this story? (Circle one)

Level 1                      Level 2                      Level 3  
↓                                      ↓                                      ↓  
(Boring!)                      (Interesting)                      (I want to read more!)

4. Is the truism *really* a truism? Yes no

5. Does the truism fit the story? Yes no

6. Write any suggestions or comments you have about this story that will help make this story better.
